

Consent Letter — DTV Work Restrictions

Date: 16 March 2026

To: The Royal Thai Embassy / Royal Thai Consulate-General, London

Subject: Consent and Undertaking — DTV Work Restrictions

Dear Sir or Madam,

I, James Wong, a Irish national holding passport number P0482915 (example), submit this letter in relation to my application for the Destination Thailand Visa (DTV).

1. Understanding of Work Restrictions

I understand that the DTV permits me to work remotely only for employers, clients, or platforms located outside Thailand; that I may not take up employment with any Thai employer; that I may not earn income from Thai sources; and that I may not undertake any role requiring a Thai work permit.

2. My Working Arrangement

I am the director of Wong Media Productions Ltd, registered in the United Kingdom, and all company clients are located outside Thailand.

All work performed while in Thailand will continue on this basis.

3. Consent and Declaration

I consent to all conditions of the DTV and understand that a breach may result in cancellation of my visa, deportation, refusal of future applications, and consequences under Thai law. The information in this letter is true, accurate, and complete.

Yours faithfully,

James Wong — *printed name*
